FOR CITY COUNCIL

*Standing up...*

*...to Defend Our Ban  
on Fracking*

Outside interests want to overturn our ban.

*...to Bring Our Train  
to Longmont*

We are paying for it, now build it!

**STANDING UP FOR LONGMONT**

Hello! I am Joan Peck, a longtime Longmont resident, business owner and community organizer. I am running for an at-large seat on the Longmont City Council to stand up for...

### **Ban on Fracking**

I organized and co-led the petition drive to ban fracking within the city limits of Longmont. The resolution passed with 60% of the vote. Outside interests would like to overturn our ban. Tell them to 'get out of town!'

### **Development**

I am excited about a balanced and vibrant plan to develop the St. Vrain corridor. Longmont needs housing on all levels and development that brings jobs in areas as well as construction and retail. We have to Build Smarter and Aim Higher!!

### **FasTracks**

Longmont has paid approximately \$34 million dollars into FasTracks with no rail in sight. We shouldn't accept the answers we are given by RTD or accept enhanced bus service as an appeasement.

### **Affordable Housing**

Rents are skyrocketing and low-income housing is scarce. We need a well thought-out and sustainable plan for low-income and affordable housing in Longmont.

### **Sustainability**

I wholly support the city's efforts toward a Sustainability and Climate Action Plan.
